

# Carroll County Prescription Medication Disposal Program

Starting at the Household Hazardous Waste Event on October 24, 2009, Carroll County is launching a year-round prescription medication collection and disposal program. The program is designed to help lessen the impact of prescription medication on the environment.

## What harm do drugs do?

Medications that are poured down the drain or flushed end up in our waterways and drinking water, and wastewater treatment plants cannot remove the chemicals in those medications. Medicine discarded in the trash can also leach into water

supplies. Medicines such as antibiotics, hormones and contraceptives, antidepressants, and pain relievers have been discovered in waterways nationwide.

The risks of such chemicals in our waterways and drinking water include damage to unborn children, dangerous mutations in wildlife—such as the sex reversal in fish or even causing fish to be born with both male and female reproductive organs—and the development of antibiotic-resistant strains of bacteria. Because of these and other harmful effects, it is necessary to provide county residents with a proper way to dispose of unwanted medication.

## What can I do?

First things first: ***Don't Rush to Flush!***

Flushing medication will cause these potentially harmful chemicals seep into our drinking water, our rivers and streams, and into the Chesapeake Bay. Dumping medicine in the trash also can cause harm: not only can animals get into garbage and ingest the medications, but rainwater dissolves and washes them away,

depositing them in our waterways regardless.

Starting in October 24, 2009, Carroll County's prescription medication collection and disposal program goes into effect. County residents can bring their medication to the collection centers (located at police stations throughout the county), where they will be disposed of properly. This program is approved by the Drug Enforcement Administration (DEA) and overseen by the Carroll County Sheriff's Office.

Remember:  
**Don't Rush to  
Flush!**

# Where can I take my medications?

There are multiple collection sites around the county. The following police stations will accept unused and expired prescription medication:

## Westminster

Westminster City Police Department  
36 Locust Street  
Westminster, MD 21157  
410-848-4646

## Taneytown

Taneytown Police Department  
120 E. Baltimore Street  
Taneytown, MD 21787  
410-751-1150

## Sykesville

Sykesville Police Department  
7547 Main Street  
Sykesville, MD 21784  
410-795-0757

## N.E. Greenmount

Carroll County Sheriff North Carroll  
Satellite Office  
2255 Hanover Pike  
Greenmount, MD 21074  
410-386-2464

This program **only** accepts expired or unwanted medications. These locations will not accept medical equipment, such as needles.

#### ACCESSIBILITY NOTICE:

The Americans With Disabilities Act applies to the Carroll County Government and its programs, services, activities, and facilities. If you have questions, suggestions, or complaints, please contact Jolene Sullivan, the Carroll County Government Americans With Disabilities Act Coordinator, 410-386-3600 or 1-888-302-8978, or TT (410) 848-9747. The mailing address is: 10 Distillery Drive, First Floor, Suite 101, Westminster, MD 21157.
